# COLOUR CHART

The worry-proof roof

YOUR CHOICE OF COLOUR

Choosing the right roof colour is essential for achieving the perfect look for your home, as it greatly influences the overall aesthetics of any building. GERARD combines the stormproof strength of corrosion-resistant metal roof tiles with the beauty of natural stone coating, ensuring both exceptional durability and captivating style. Explore our wide range of colours—from modern shades to rustic and classic tones—that allows you to find the perfect match for your architectural vision.
